**TO:** Elementary Administrators, Secondary Administrators, Executive Council  
**SUBJECT:** **My Path, My Way Information Night—February 11<sup>th</sup>, 2015**

---

We will be holding our My Path My Way Information Night again this year on February 11<sup>th</sup> at Michelangelos Banquet Centre. The evening will run from 7-9 pm and will showcase many of the wonderful programs and supports our Board offers. This event is intended for families with students in Grades 7-10.

Programs such as Experiential Learning, Specialist High Skills Majors, Special Education, French Immersion and ESL are just a few of the programs that will be showcased that speak to pathways planning, student interests and learning needs. Community partners such as Mohawk College and the Industry and Education Council (IEC) will also be in attendance.

An information session for families interested in the International Baccalaureate program will be held just prior to the My Path My Way evening from 5:30-6:45 pm at Michelangelos.

Schools are asked to send home the attached flyer to elementary students in grades 7 and 8 as well as secondary students in grades 9 and 10. A post to your school website, communication to your School Council and other means to promote this evening would be greatly appreciated.

If you have any questions, please contact Geeta Malhotra, Principal of Student Success. Thank you for your ongoing support.
