November 2017

Progress Reports & Interviews This report reflects the progress your child has made from September to now. This is not an evaluation as the next 2 reports will be, but rather a heads-up as to how your child is progressing at this time and what the plan is to support learning moving forward. The learning skills are a very important part of their learning as challenges here can sometimes interfere with demonstration of the required curriculum expectations. These should be a focus for your upcoming conversations with your child as well as with the teacher. We look forward to welcoming our families either on Thursday November 2nd after school or during the day on Friday November 3rd at your scheduled interview time.

Attendance School begins promptly at 8:50 am. Please ensure your child(ren) are here before the bell goes at 8:50 am. It is important to develop the skill of punctuality and sending a message to your children that being on time for school is essential to developing this skill.

No Parking No Stopping Please be aware of all school signage and do not park and/or stop in these areas at the front of the school, as it is a fire access route.

Drop off and Pick up! Dropping off and Picking up students can be very congested in front of the school as everyone arrives at the same time as the bus. Please pick up and drop students off on Albright and students must cross with the crossing guard to ensure all children cross the street safely.

Activities and Athletics

3-Pitch and Cross Country: Congratulations to our 3-Pitch and Cross-Country teams this year who competed at the board tournaments/meets in September and October. These students showed commitment, coming to practices, determination, and school spirit cheering and supporting each other.

Volleyball and Swimming: Good Luck to Junior and Senior Boys and Girls Volleyball teams who are early in their season. Hard work and determination are paying off and the teams are improving their skills with each and every game. Junior swim team practices have begun. Hope all swimmers are having fun getting ready for the upcoming swim meet on November 20th!!

Choir Some students in Grade 6-8 are participating in choir practices. Hope all students are enjoying this opportunity.

Special thanks to our school coaches and staff who commit their own time to support Laurier students with these opportunities as well as parents who come out to support their children in school activities.

Bus Safety

All students attended a bus safety presentation on October 11th, and learned how to behave safely on the bus to and from school, as well as while attending school trips.
