Sir Winston Churchill is a composite secondary school located in east Hamilton. We provide academic, technical, business, athletic and creative arts programming for all pathways and we are committed to providing a safe, structured learning environment.

## PROGRAMS OF CHOICE

The Hockey Canada Skills Academy - Fundamental hockey skills such as passing, shooting, puck control, skating and checking comprise the main focus of the on-ice components of the Hockey Canada Skills Academy. Student involvement in this program may also enhance leadership, fitness, hockey strategy and healthy life skills for athletes. The off-ice components include video analysis, fitness and CPR training. Health units consist of healthy sexuality, substance use and abuse, goal setting, communication, and social skills. Students will meet grade 9 English expectations through Canadian hockey-themed literary works. The cost for this program is \$300.00 dollars, but scholarships or bursaries may be available. Please contact Jan Pearson or Jeannine MacIsaac for more information.

Course Codes: PPL1O1, ENG1P1, ENG1D1; PAL2O1, PAL3O1, PAL4O1

## SPECIALIST HIGH SKILLS MAJOR (SHSM)

Health and Wellness (Health Care Focus)

Course Codes: TPJ3M2, TOJ4C1, TPJ4M1
