University Deadlines:

Deadline to submit application: January 11, 2017

Deadline for Ontario secondary school students to submit completed hardcopy and online applications to the OUAC.

Note: Applications received after this date will still be processed by the OUAC and distributed to the universities. However, specific university deadlines will apply.

The original application procedure will include the collection of all final grades from previously completed Grade 11 and 12 courses and a list of all current-year courses in progress.

Date to make final changes: February 3, 2017

Recommended last date for students to submit all information to the OUAC, including university and program changes as well as additional active choices, to be eligible for consideration for early admission.

Note: This is not a deadline date. Changes will be accepted and processed by the OUAC at any time. Pay attention to individual university deadlines - some may be earlier than February 3.

Notification of decision: May 26, 2017

The latest date by which all secondary school applicants shall expect a response from an Ontario university. Such a response will be one of:

- an offer of admission;
- a refusal; or
- a deferral pending the receipt of specific additional information.

When you must respond: June 1, 2017

The earliest date by which Ontario universities may require a response to an offer of admission and a financial commitment of any kind. A student may accept these other offers prior to June 1, 2017, but Ontario universities shall not compel a student in any way to make an earlier decision.

College Deadlines:

February 1, 2017 - Equal Consideration Date

Apply on or before this date in order to receive equal consideration for admission to programs starting the following fall. After this date, colleges consider applicants on a first-come, first-served basis until programs are full.

Note that applications to Highly Competitive Programs must be received by this date in order to be considered. As these programs receive a high volume of applicants, all seats may be filled by February 1.

February 1, 2017: Earliest Offer Date

This is the earliest date that colleges may begin to send offers of admission to programs for the upcoming academic year. Offers will continue to be issued until programs are filled or wait-lists are established.

May 1, 2017 - Deadline to Confirm Offers of Admission

Applicants must confirm their acceptance of an offer of admission by this date. Log in to your ontariocolleges.ca account to confirm your offer.
