## Key College Dates:

### **February 1, 2018: Equal Consideration Date**

Apply on or before this date in order to receive equal consideration for admission to programs starting the following fall. After this date, colleges consider applicants on a first-come, first-served basis until programs are full.

**Note that applications to Highly Competitive Programs must be received by this date in order to be considered. As these programs receive a high volume of applicants, all seats may be filled by February 1.**

Applicants are encouraged to complete their applications well before the Equal Consideration Date, as website volumes on the online application are at their highest at this time.

Many programs continue to accept applicants after **February 1**. Use our [Find a Program](#) tool at any time to find programs that are still open.

### **February 1, 2018: Earliest Offer Date**

This is the earliest date that colleges may begin to send offers of admission to programs for the upcoming academic year. Offers will continue to be issued until programs are filled or wait-lists are established.

### **May 1, 2018: Deadline to Confirm Offers of Admission**

Applicants must confirm their acceptance of an offer of admission by this date. Log in to your ontariocolleges.ca account to **confirm your offer**.

Colleges may extend offers of admission after this date. Each college will set the deadline to confirm offers made after **May 1**, and this deadline will be communicated to you with your offer.

## Key University Dates:

### **January 17, 2018**

Deadline for Ontario high school students to submit their completed application to the OUAC.

**Note:** The OUAC still processes applications received after this date and distributes them to the universities; however, specific university deadlines will apply.

The initial application includes all final grades from completed Grade 11 and 12 courses and a list of all current-year courses in progress.

### **May 29, 2018**

The latest date all high school applicants can expect a response from an Ontario university. This includes:

1. an offer of admission;
2. a refusal; or
3. a deferral, once additional information is received.

### **June 1, 2018**

The earliest date an Ontario high school student may be required to respond to an Ontario university offer of admission and give a financial commitment (e.g., registration deposit, residence deposit, etc.). All other admissions-related elements, including scholarships, other forms of student assistance or financial incentives, and offers of residence are considered part of the offer of admission. Therefore, a student may accept these other offers before June 1, 2017, but Ontario universities will not compel a student in any way to make a decision earlier than this date.
