At Westmount, students get a chance to experience a unique and innovative program. As a system school, Westmount attracts students who strive to develop goal-setting, effective time management, and independent learning skills in a self-directed, self-paced learning environment.

The Westmount program is open to all students in Hamilton-Wentworth District School Board (HWDSB) who would benefit from a self-paced, self-directed program. Students at Westmount come from across HWDSB and represent a variety of learners. Like all HWDSB secondary schools, Westmount offers workplace, college, applied and academic pathways.

Successful Westmount students demonstrate strong initiative, have an interest in asking questions and collaborating with teachers, are self-starters and have strong time management skills. Students must also be able to set individual goals and monitor their own progress in achieving them.

Westmount staff will review all requests to ensure students demonstrate the learning skills that will lead to success in the program. Please note, decisions are based on the student learning profile and not on academics.

Please submit the form along with the most recent report card to Westmount Secondary School by Friday, January 27, 2017 @ 4:00 pm. Notices without your December 2016 report card attached will not be considered.

You will be notified by email of your child's acceptance by February 1, 2017. HWDSB students will enter their options online via Career Cruising in February 2017 and out of board students will submit an option sheet directly to the school along with a registration package.
