

WESTMOUNT SECONDARY SCHOOL

HOMEWORK CLUB REGISTRATION SPRING 2017
REGISTRATION FORM

Westmount Secondary School and Community & Continuing Education have partnered together to develop a Homework Club to support Grade 9 and 10 students. This after-school program will provide students with the opportunity to be supported through their learning with a Westmount teacher as well as strengthen learning skills necessary for the Westmount self-directed, self-paced program.

The program will be offered at Westmount to students who need additional support in Math/Science &/or Humanities (English, Geography, History, Careers, Civics, & Business). The program will run up to two afternoons a week. Attendance at each session is mandatory. The school should be notified if a student is going to be absent/or was absent and the homework club teacher will be forwarded the message.

Please keep this page as a reference for the program dates.

If your child would like to register, please complete this form and complete this form and return it to the main office at Westmount. **NEW: The attached form also has a link to the online registration that also must be completed.** Online registration and this form should be completed and returned to Westmount by no later than Friday March 24th. Students may withdraw from Homework Club with parent permission. Preliminary Reports will be carried home Wednesday March 8th. This will give parents additional feedback to help decide if Homework Club is needed as an appropriate support.

Note: Homework Club will run pending sufficient enrolment for each of the separate subject areas. Parents will be notified if a program will not be running due to insufficient enrolment.
