The HWDSB Pyramid of Interventions begins with the classroom teacher.

Check off the boxes that apply to indicate all classroom supports that have been attempted.

Use the back of this sheet to document and summarize actions taken and their results before moving to the next level of the Pyramid. The second level of the Pyramid must include a referral to the Vice-Principal.

Student Name: _____   **Date:** _____

Teacher Information (Attach other information if necessary.)

- **Date and summarize** actions taken/discussions with home and student.
- **Check off the boxes** on the Pyramid of Interventions that have been used before a referral to a Vice-Principal.

Referring Teacher: _____
