

We want to hear from you!

HWDSB currently has surplus space in many of its buildings.

We want to hear from community partners looking to share facilities to benefit our students and the community.

We will be holding a community meeting to **hear proposals** from our community partners on your ideas for shared space.

Join us on:

October 19, 2016

Education Centre
20 Education Court
5:00 p.m.

Presenters should include information on community needs, growth plans and green space requirements.

When we work together, everyone wins.
