

Women in TRADES

A Panel Discussion and Dinner

HWDSB is holding its first skilled trades dinner at which young women in grades 9 to 12 can hear from a tradesperson about what it's like to work in the skilled trades.

We hope that every attending student can bring a significant female mentor in their life (parent, guardian, caregiver, etc.)

The night's panel discussion will be a great opportunity to ask questions. There are also display tables set up for more information. A buffet dinner will allow attendees to meet possible mentors in the trades.
