

June 21, 2017

Dear Parents, Guardians and Caregivers,

On Monday, June 19, 2017, Trustees reviewed the recommended boundaries based on the feedback received from the Advisory Panel and the Boundary Review public meeting and approved the following boundary changes:

- That the boundary change between the new School on the Beverly Community Centre Site and the new C.H. Bray be approved as per Revised Map #1 (attached) – That all Power Line Road West addresses attend the New School on the Beverly Community Centre Site.
- That all Power Line Road East families with students attending Queens Rangers be given the choice to attend the new School on the Beverly Community Centre Site or the new C.H. Bray for all students in the family. All new students on Power Line Road East will attend the new CH Bray.
- That the boundary change between the new School on the Beverly Community Centre Site, new C.H. Bray and Sir William Osler be approved as per revised Map #1 (attached) – Expansion of Sir William Osler Boundary to Include Part of Governors Road. South of Governors Road Attends New C.H. Bray.
- That the boundary change between the new School on the Beverly Community Centre Site and new School on the Greensville School Site be approved as per Revised Map #1 (attached) – That Middletown Road addresses south of Hwy 5 West attend the New School on the Greensville School Site.

There are no changes to your current boundary for the 2017/2018 school year. Our next step is to apply to the Ministry of Education for funding to build a new school on the CH Bray site and add an addition to the new school on the Beverly Community Centre Site. We will provide you with an update once we receive a response from the Ministry about our funding request.

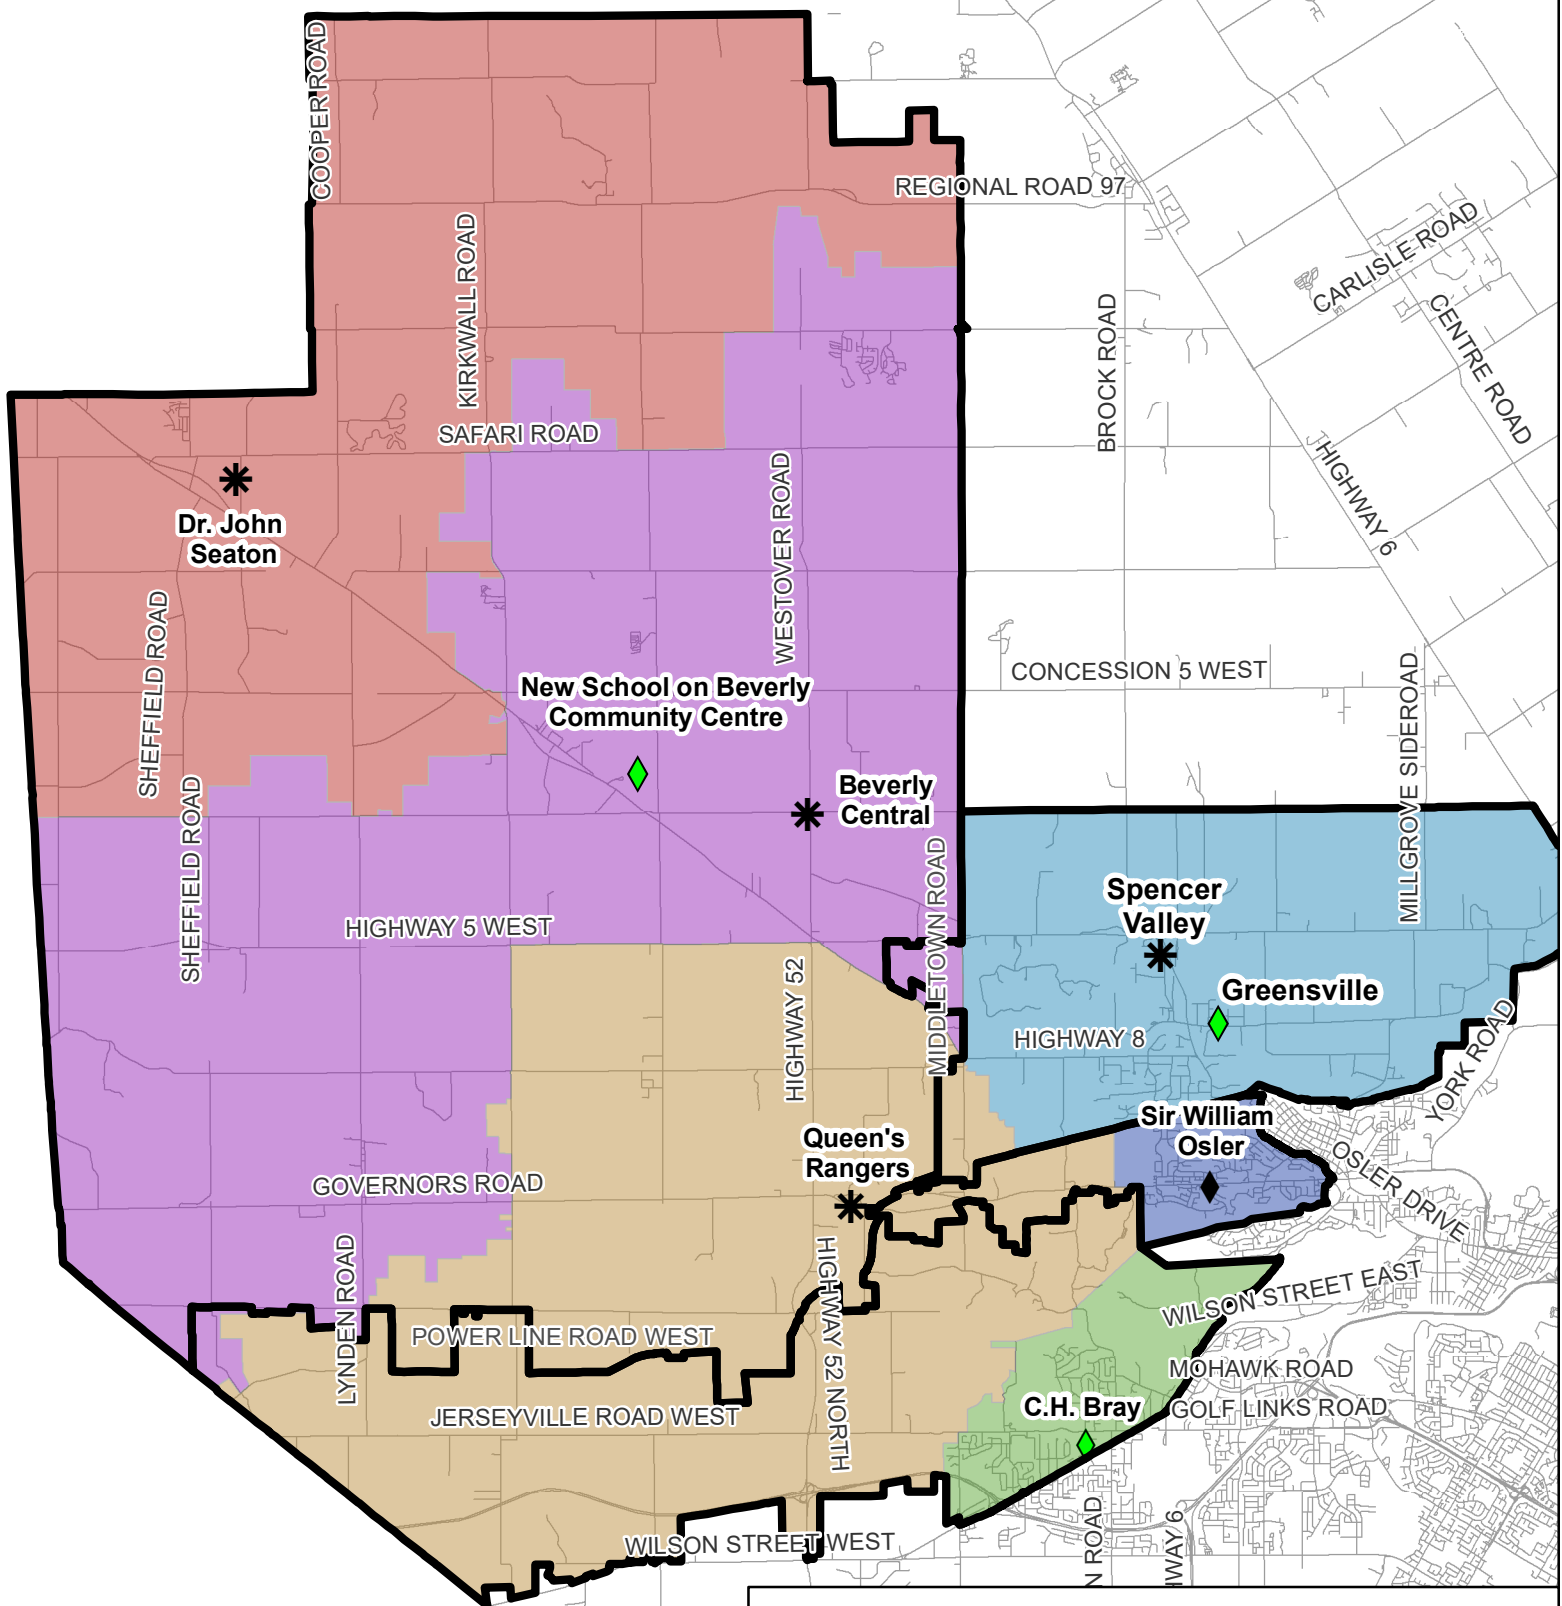

I would like to thank you for engaging in the consultation process. If you have any questions about the new boundaries and how it affects your child, please speak with your school Principal and if you require further assistance, you may contact me at 905-527-5092 ext. 2626.

Sincerely,

Bill Torrens  
Superintendent of Student Achievement
