

Steps before your child's **first day of school**

Kindergarten is an exciting, enriching place where children spend two years learning to explore the world, solve problems and make friends. A teacher and early childhood educator combine as a caring team to help your child get the best start in school!

How to register for Kindergarten, which is a two-year program:

1. Your child is **eligible for Kindergarten in the year they turn four or five**. Your child must attend school if they are age six by September 1.
2. Register at your closest HWDSB school, located online at www.hwdsb.on.ca/parents/find or by calling 905-527-5092 ext. 2391. We are introducing online registration - watch for details.
3. Only parents or legal guardians can register their children for school. The following documents are required: Proof of age (child's birth certificate or passport); Proof of residency (identification that shows parent/guardian's current home address); Proof of immunization; Verification of date of arrival/immigration documents (if the child was not born in Canada).
4. At registration, please tell staff if your child has any special needs. Special education programs and services are available for children to support their success at school.
5. Hamilton-Wentworth Student Transportation Services (HWSTS) provides transportation for eligible HWDSB Kindergarten students. Eligible students receive an eligibility letter from HWSTS in early summer. Our First Rider program gives students a chance to ride the bus during the summer. Find details at www.hamiltonschoolbus.ca
6. Some schools offer fee for service before- and after-school child care programs. Find locations at www.hwdsb.on.ca/childergarten/childcare. A fee subsidy may be available at <http://bit.ly/2huqLMr>

Learn more: Visit or call your local school or go to www.hwdsb.on.ca/childergarten
