March 2, 2018

To parents, guardians, caregivers of Beverly Central and Dr. J. Seaton,

Re: Construction of New School on the Beverly Community Centre Property

In June 2014, HWDSB Trustees approved the closure of Beverly Central and Dr. John Seaton and the construction of a new school on the Beverly Community Centre site.

The school is part of a joint community project with the City of Hamilton. The school will be constructed on the Beverly Community Centre property, off Hwy. 8 in Rockton and is designed to accommodate 347 students from Junior Kindergarten to Grade 8 in an approximately 40,000 square foot elementary school.

You are invited to attend a public meeting about this new school on **Wednesday March 21, 2018, at 7:00 p.m. at the Beverly Community Centre**. This meeting will provide an update about the project, display architectural designs, discuss the future operating model for the community centre, and is your opportunity to have any questions answered.

If you have any questions regarding this information, please contact your school's principal/vice-principal, my office or your local Trustee Greg Van Geffen.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Prendergast", is written over a light blue horizontal line.
