RE: Transition Planning for the new elementary school on the Eastdale site

As part of the Lower Stoney Creek School Consolidation Plan, the Ministry of Education will be investing \$11.5 million to build a new JK-8 elementary school on the Eastdale Elementary School site. This new school will accommodate students currently at Mountain View School (Zones 1 & 3) and Collegiate Ave. School (Zone 2).

An information meeting will be held on **Tuesday December 18, 2018 at 6:00 p.m. at Mountain View School** to review this school consolidation plan. Families from Mountain View and Collegiate Ave. are encouraged to attend to learn more about transition plans for the opening of the new school on the Eastdale site.

For more information about school consolidation plans, please visit the School Renewal - Construction section on HWDSB's website. For transition planning updates, please visit the Transition Committee section on HWDSB's website in the New Year.

If you have any questions about this information, please contact your school's principal and/or vice-principal.

Sincerely,
