

## Before and After School Programs

At HWDSB, before- and after-school programs in schools provide children with more opportunities to learn and grow during a seamless day with fewer transitions for children and families. Some locations also offer full-day child care for children from birth up to kindergarten age.

Before and after-school programs generally run from 7 a.m. to school entry and from dismissal to 6 p.m., although exact times may vary based on family needs and entry/dismissal times. Families can enrol their child in a before-school program, an after-school program, both programs or not at all. Please use the list below for information about child care at your school. Find details about the program by contacting the provider or visiting www.hwdsb.on.ca/kindergarten/childcare.

For more information on child care in Hamilton, you can access the Hamilton Child Care Registry (<a href="www.Hamilton.ca/childcare">www.Hamilton.ca/childcare</a>). The registry is an online resource that makes it easy to find and apply for licensed child care in Hamilton. If you require financial support for child care expenses, you can apply for a fee subsidy with your Hamilton Child Care Registry account.
