Dear Parents, Guardians and Caregivers of Mountain View (Zones 1 & 3) and Collegiate (Zone 2),

Re: Transition Committee Meeting #1 for new school on former Eastdale site

As part of the Lower Stoney Creek School Consolidation Plan, construction of an \$11.5 million JK-8 elementary school on the former Eastdale School site is underway. With completion of the new school scheduled for early 2020, planning is underway for students to move to this new site.

A public meeting was held on December 18, 2018 at Mountain View to review the Lower Stoney Creek School Consolidation Plan and plans to transition students to the new school during the 2019-20 school year. This meeting also informed families about the Transition Committee that is being formed to support a smooth transition of students to the new school. Members of the Transition Committee will be meeting on **Thursday February 7, 2019 at 6:00 p.m. at Mountain View**. Families are welcome to attend this meeting to observe the discussions and learn more about plans for next year.

For more information about school consolidation plans, please visit the HWDSB About – School Renewal – Transition Committee section on HWDSB’s website.

If you have any questions about this information, please contact your school’s principal/vice-principal.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Gillies".
