"...it is always wonderful to be able to introduce Lighthouse and bring awareness to a new audience... I've seen those butterflies many times, but the way this was presented was wow. Last night's performance was powerful and moving. When I wake up the next day, still thinking about a performance, I know it has hit me at a deeper level. Thank you."

Lighthouse
For Grieving Children & Families

A note from the director...

The creative process of "Light Heavy Light" was inspired by a podcast that deeply resonated with me. The message of *The RobCast's* episode #22 felt cyclical and timeless. I wanted to offer the essence of this message through dance and that's where it all started to unfold in the spring of 2019.

Connecting an annually presented show in support for a local charity has been a desire since opening JJ Dance Arts. The Lighthouse for Grieving Children was the perfect fit to compliment and amplify both the mission of The Lighthouse and the message of the show:

**YOU ARE NOT ALONE.
TOGETHER THROUGH THE LIGHT AND THE DARK.**

Working with The Lighthouse team has been an honour.

It's a very special group of people offering meaningful and necessary support for our youth. As someone who has spent close to 20 years working with kids and teens, I can affirm the powerful and positive ripple effect of allowing a young person to be seen and accepted in full. No matter what season of life they are experiencing; light or dark.

Thank you for considering being a sponsor for our 2023 performance.

The positive impact of your support is immeasurable.

This show holds a special place in my heart.

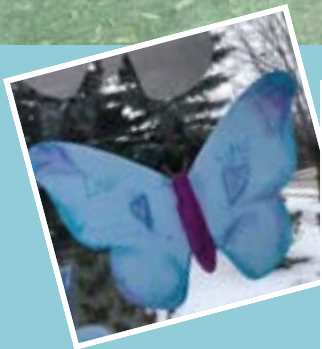

Sincerely,

JJ DANCE ARTS

**LIGHTHOUSE FOR GRIEVING CHILDREN AND FAMILIES
OFFERS FREE GRIEF SUPPORT TO CHILDREN AND YOUTH,
AGES 3-19 YEARS, WHO HAVE EXPERIENCED THE LIFE-
ALTERING LOSS OF A PARENT OR SIBLING.**

2022 at Lighthouse

Groups are available in person or online, and they are open-ended, so families can stay for as long as they need, to actively explore their grief in their own time. Lighthouse does not receive government funding so we rely on the generosity of our communities to ensure our services remain free for families who need them.

Investing in the future of Lighthouse today, is an investment in the mental and emotional well-being of children and youth for years to come.

Please help us ensure no child grieves alone
