May 29, 2018

Dear Adelaide Hoodless Community,

I would like to take the opportunity to share good news with you about upcoming construction and renovations at Adelaide Hoodless Elementary School this summer, beginning on July 3, 2018. While it will cause some inconveniences in the neighbourhood, we are excited about the coming improvements.

Inside the school, we are turning room 107, which is an existing storage room and washroom, into a universal barrier free washroom. We are expecting this work to be completed by August 30, 2018, in time for a return to school in September.

Outside, we are undertaking work to the foundation of the school, which includes excavating along the west, east and south sides of the building to install waterproofing and weeping tile. Once this work is complete, the area dug out will be filled and asphalted. This work is also expected to be complete by August 30, however, during the work, no parking will be available at either of the school parking lots.

Work also expected to be completed by August 30, includes work on our playground revitalization. This includes:

- Tree planting along Springer Ave., which involves removing the current fence while the trees are planted, then installing a new fence.
- Replacement of the existing play structure
- Installation of a shade structure
- Line painting and other minor modifications

As mentioned, the outdoor work may impact our neighbours and those who use the school grounds during the summer months.

I would like to thank you for your patience and cooperation as we work to revitalize our school. We will continue to provide you updates as the work is completed through HWDSB's School Construction webpage at [www.hwdsb.on.ca/about/school-renewal/construction/](http://www.hwdsb.on.ca/about/school-renewal/construction/). If you have any questions or concerns, please do not hesitate to contact the school office at 905-549-1339.

Sincerely,

Nanci-Jane Simpson  
Principal
