

ADELAIDE Virtual art show

ADELAIDE

Every spring, Adelaide has hosted an Art Show in conjunction with Education Week and our open house. Due to COVID-19 we were unable to conduct a live event. We are pleased to announce the First Annual Adelaide Hoodless Virtual Art Show. Students will have between May 29 and June 7 to create an original piece of artwork. It can be a painting, drawing, sculpture, textile art....it just needs to be creative and express who you are. Please have your parent or caregiver take a photo of the piece of work with a brief description/title and send to your child's educator. We will then create an iMovie highlighting all that our creative Adelaide Hoodless community have creative. Art is a personal expression of who you are.
Have fun with this!
