Dear Class 1/2A Families,

As you are aware Monday, September 20, 2021 is Federal Election Day. Adelaide Hoodless has been selected as a polling station. Any schools that have been selected as polling station must meet very specific Hamilton Medical Officer of Health criteria. Please see the link below for more detailed information.

As Class 1/2A is located in Room 132 (formerly the EarlyOn Centre), we are assigning additional staff to support the students as they transition in and out during nutrition break and to use the washroom. For September 20, students will be using the washrooms in the lower level by the old gym. They will be escorted by staff. Instructional programming for this class will continue as scheduled and there will be no disruption to student learning.

If you have any questions regarding September 20th, please do not hesitate to contact me.

Respectfully,

Nanci Simpson - Principal
