A Message from Our Principals...

With the school year quickly coming to a close, I would like to take this opportunity to express my sincere appreciation to all students, staff, volunteers and parents for working together to make Allan A. Greenleaf a wonderful place for students to learn!

I would like to express my sincere gratitude to the entire staff for their support and commitment to our students throughout the year. The education and support provided to students has been of the highest quality and all staff have worked tirelessly to create and maintain an engaging learning environment in their classrooms.

To our School Council, parent and community volunteers, I would like to extend a hearty "thank you" for all that you have done to make Greenleaf thrive.

To our students and family members, thank you for a wonderful year. Students can learn best in an environment where school and families work in true partnership, and we have wonderful partnerships at Greenleaf. Have a restful and enjoyable summer break!

To our Commencing Grade 8s, congratulations on completing your Allan A. Greenleaf career. Best wishes for success in Grade 9 and beyond!

For students returning to Greenleaf in the Fall, September Class Placements will be available in the summer through the Parent Portal.

Once again, thank you for a wonderful school year. I'm wishing each of you a restful and enjoyable holiday, full of health and time spent with the people most important to you. I have truly appreciated my time at Allan A. Greenleaf, and feel privileged to have worked with this community. Please join me in welcoming Ms. C. Uhler as your incoming Principal, and as always, be respectful, be responsible, and be kind.

All the best!
Mr. S. Yull
