Dear families,

This letter is to inform you that Ancaster High entered a Hold and Secure response today.

Hold and Secure requires the building to be secured and all persons to remain in the school due to an ongoing, non-school related situation outside.

Concern arose after seeing a person near the school who was thought to be carrying a long tool with a handle. The individual did not enter the school and there was no threat to students or staff. Police responded but the individual was no longer present.

We thank our students and staff for their co-operation during the incident. You can learn more about HWDSB's approach to secure schools at <http://bit.ly/2Hw8s98>

We thank all parents, guardians and students for their understanding.

Sincerely,

Randy Gallant
Principal
