40 Volunteer Hours minimum

This will be completed in March

Full Disclosure

- Applies to Grade 11 and 12 courses only
- Starting **five days after mid-semester report cards**, all courses in which a student is registered will be recorded on the transcript
- Courses that are dropped, failed, or repeated after this date will appear on your transcript
- Check post-secondary schools' policies

Which Post-Secondary Schools Consider Dropped, Failed, or Repeated Courses?

- It is the student's responsibility to research this and consider this before dropping or repeating a course
- Usually, only universities consider this (not colleges)
- Most universities will consider only the attempt resulting in the **highest grade**
- We suggest reviewing Waterloo University, University of Toronto, and McMaster University's policies on repeated courses

Math and Apprenticeship

- Any level of Grade 11 Math is okay for an apprenticeship
- Grade 10 Applied (MFM2P1) is sometimes a minimum (the level of Grade 11 Math doesn't matter)
- For future Electricians...more Math is better!

e-Learning

- Many courses are offered online (check Career Cruising)
- Some courses are offered “online only” and are designated by an “@” symbol on the option sheet
- e-Learning classes are NOT easier and are NOT self-paced
 - e-Learning follows the same pace as regular classes
 - There are multiple due dates throughout the course
 - Units will end and the curriculum will be locked
 - There will be a culminating activity and/or exam

What is your BEST?

- Grade 11 is the year to “do your best” in each course.
- Some Grade 11 courses could impact early offers of admission to degree programs (university)
- Some Grade 11 courses could be used for admission to diploma programs (college)
- Will you be able to achieve the admission average to attend the school and program of your choice?
