

College Pathway Panel

On **Tuesday, April 19 at 9am - 10am** join colleges in the Western Region for a College Pathway panel.

Format:

- A 10-minute overview of the Ontario Colleges system which will include a general overview, benefits of college, hands-on training and pathway options.
- Each college will give a 4 minute overview about their college highlighting all pathways: certificates to diplomas to degrees and beyond.
- This is followed by a 15–20-minute Question and Answer period, where students can ask questions to the group as a whole or individual college representatives.
