Dear Families,

This letter is to inform you that today at Ancaster High the fire alarm was triggered.

As per the HWDSB Fire Safety Plan, we evacuated our school and called 911. Hamilton Fire Department responded and inspected the school. A small garbage can fire was located. Firefighters extinguished the fire and began clearing the halls of smoke. After testing air quality multiple times, and after determining that the building was safe, firefighters permitted students and staff to re-enter.

We want you to know that student safety is of the utmost importance at Ancaster High. If you have any questions regarding this occurrence, please contact the school at 905-648-4468.

We thank all parents, guardians and students for their understanding.

Sincerely,

Ms. Beth Woof

Principal
