Principal Report

Exams - June 21 - June 27

Period 1 exam - June 21, Period 2 exam - June 22, Period 3 exam - June 23, Period 4 exam - June 26

students must attend, even if class is not having a full exam

Grade 9/10 tech course - no new information provided by the provincial government

Prom - Friday, May 19 at Liuna Station

Commencement vs Grad - there is a link on the HWDSB website explaining the difference.

Commencement takes place on June 5, 4pm at Carmens. Every student received 2 tickets. Staff are working on handing out extra tickets.

Volleyball Tournament - Ancaster High will host the board's Junior Co-Ed Volleyball tournament on May 19

Summer School - don't encourage students to reach ahead in order to make grade 12 "easier". Staff have found that this plan doesn't work out. Summer school is great for deep learning or if a student wants to take extra electives/co-op

Yearbook - \$35 - buy online <https://yppay.lifetouch.ca> Our school code is 14532723

Renovations - are delayed due to permits, including cafeteria. Reno's will start in summer but will continue into the fall. Bathrooms are being renovated from end to end during the next school year. Water stations are being replaced. Parking lot will be completed during the summer.

\$500 Parent Grant - voted to spend on 1 Ancaster High identifying pop-up tent.
