

GRADE 9 OPTION SHEET for the 2024-2025 SCHOOL YEAR

Please use this sheet to plan **eight** courses for Grade 9. Students will upload their choices to Xello with our help when we return to your class in February!

COMPULSORY COURSE OPTIONS (CHOOSE ALL 5)

ENL1W1 (English)	FSF1D1 or *FSF1O1 (French)	CGC1W1 (Geography)	MTH1W1 (Math)	SNC1W1 (Science)
---------------------	-------------------------------	-----------------------	------------------	---------------------

**The criteria for Grade 9 students taking FSF1O1 would include those who have not accumulated the minimum of 600 hours of elementary Core French instruction. Any students who have met the hour requirements would be taking FSF1D1.*

ELECTIVE COURSE OPTIONS (CHOOSE ANY 3)

Please choose **three** courses below. We encourage students to take one Art, one Health & Phys-Ed, and one Technology in Grade 9. We'll do our best to deliver a timetable with your top three choices. In Xello, we'll ask students to choose **one** alternate course just in case.

ARTS

ADA101 – Drama

Students will collaborate and explore performance styles like mime, movement and dance, film, scriptwriting, and improvisation. Students work through the rehearsal process to create and perform on stage and build their reflection and metacognitive skills.

AMU101 – Music

This course is for beginners or experienced musicians who will build on previous musical experience on a woodwind, brass or percussion instrument. This course is aimed at developing playing technique, musicality, collaboration and music appreciation.

ATC101 – Dance

Join us for jazz, ballet, modern dance techniques and more in our new dance course. Whether you are a beginner or have some dance experience, come learn the techniques and elements of dance with us!

AVI101 – Visual Arts

Students are introduced to new ideas, materials, and processes for artistic exploration and experimentation. Students apply the principles of design and use critical analysis to reflect on and interpret art within a personal, contemporary, and historical context.

AWA101 – Arts & Crafts

Students learn creativity, experimentation, and expression, and use materials and techniques to design functional art. Students apply the principles of design and creativity. Cultural significance of crafts within diverse societies will be explored and analyzed.

BUSINESS

BEM101– Building the Entrepreneurial Mindset

This course introduces students to the world of business, with a focus on entrepreneurship. Students will learn about making money by starting or running businesses, and the financial risks associated.

FAMILY STUDIES

HIF101– Exploring Family Studies

Students explore challenges faced by all people, including: how to meet basic needs, how to relate to others, how to manage resources, and how to become responsible members of society! There are also diverse practical experiences in this course including cooking, sewing and robot babies!

HEALTH & PHYSICAL EDUCATION

PAD101 (All Gender) – Healthy Living & Outdoor Activities (Hockey)

Focuses on skill development in hockey on and off the ice. Students are encouraged to have experience and their own equipment is required. Sport specific skill development with a focus on passing, shooting, stick-handling, skating and checking will be the focus during 30 on ice sessions. Students will acquire an understanding of how to be healthy.

PAL101 (All Gender) - Healthy Living & Large-Group Activities (Sport Performance)

Focuses on skills in volleyball, basketball and soccer. Students are encouraged to have previous experience with these sports at a competitive level. This offers character building, leadership enhancement, and team building. Students can excel and be challenged with peers of similar ability levels. Students will acquire an understanding of being healthy.

PPL101F (Female Identifying) – Healthy Active Living or PPL101M (Male Identifying) – Healthy Active Living

Focuses on the skills needed to make healthy choices. Through participation in a range of activities, such as cooperative games, leisure sports, traditional sports and fitness activities students develop skills related to movement competence and personal fitness. Students acquire an understanding of the factors and skills that contribute to being healthy.

TECHNOLOGY

TAS101 – Technology and the Skilled Trades

This course is one-stop shopping to learn about technology and the skilled trades. Students will learn how training in this field leads to rewarding careers which support Ontario’s economy.

ADDITIONAL CREDIT OPPORTUNITY *(Offered outside regular day: before school & at lunch)*

AMR101 – Repertoire

Students play in a large ensemble on a woodwind, brass, or percussion instrument in a fun group environment. Students play concerts, attend music festivals, and more! Students develop musical skills through rehearsal and sectional work.

e-LEARNING COURSES *(Students and families are encouraged to complete their eLearning courses in Grade Ten or later)*

ENL1W1eL - English	SNC1W1eL - Science	MTH1W1eL - Math	CGC1W1eL -Geography	HIF1O1eL – Family Studies
FSF1D1eL - French	BEM1O1eL – Business	NAC1O1eL – Expressions of First Nations, Metis & Inuit Cultures	PAR1O1eL – Mindfulness	AWQ1O1eL - Photography

***ADDITIONAL PRORAMMING OFFERED AT ANCASTER HIGH SCHOOL**

ENG1L1 (Locally Developed English)	MAT1L1 (Locally Developed Math)	SNC1L1 (Locally Developed Science)	GLS1O1 (Learning Strategies)
---------------------------------------	------------------------------------	---------------------------------------	---------------------------------

**Ancaster High offers these four additional courses to students. Please consult your grade 8 teacher about locally developed English, Math and Science. The learning strategies course supports students in unfinished learning in numeracy and literacy.*
