

# Primary Division Supply Lists

The primary teachers look forward to your child joining us in September. Each year families ask for ideas of age-appropriate supplies for their child for September. Families may wish to purchase the following before the beginning of school.

Pencil Case

Pencil Crayons

Glue Sticks

Pencil Sharpener

Markers

Erasers

1 package of large Ziploc bags

2 boxes of tissues to donate to the classroom

We also recommend that all supplies and clothing are clearly **labelled** with your child's name in permanent marker or pen.

Consider investing in a **litterless lunch kit** and **water bottle** for your child. Both are ways you can teach your child about environmental responsibility!

In Grades 1, 2 and 3 we will be using **agendas**.

The school has covered the cost of these agendas for each student.

Help keep our classroom carpets and floors clean for our students by sending in an additional pair of **indoor shoes**. Keeping the mud, snow, and salt outside helps create a healthier environment (wet shoes, bare feet and stocking feet are not allowed for health and safety reasons).

## **NO BINDERS PLEASE!**

There isn't room in or on our little desks to store these.

Wishing you a great summer and looking forward to seeing you in September!

Thank-you,  
*The Primary Team*
