## **Class Building**

Your child's teacher, along with the Learning Resource team and Administration have begun working to build classes for the 2019-2020 school year. To do this we use an extensive process to help ensure that classes reflect a balance of ability, interest and behavioural needs. Please be aware that requests for specific teachers and/or for particular groups of students to remain together are not accepted. However, if as a parent/caregiver you have some important/new information to share which may impact class placement decisions (i.e., a medical diagnosis, or significant negative peer relationship etc.) please communicate this in writing to Ms. Rizzo by June 3<sup>rd</sup>.
