

Today is Monday September 30th 2019
Day 4

Here are today's announcements

Activities during 1st Nutrition Break

All those students who tried out for the Grade 3 to 5 Cross Country team should come to the library at the beginning of first Nutrition Break to get your permission forms. That's the Junior cross country team, to the library, at 10:40.

A reminder that school picture day is Thursday, October 3rd.

Here at Balaclava School we are most fortunate to have large playing areas outdoors with many features to enjoy. Our Home and School Association is looking to enhance these spaces further and is looking for your input. What would you like to see here at Balaclava School that would help you to be active, feel that you belong and can be successful? Please forward your ideas as classes to the office today. Thank you!

Activities during 2nd NB

Today we are wearing orange to honour the lives lost and/or impacted by Canadian Residential Schools. This date is chosen because it was usual in the fall season for children to be removed from their families to attend Residential Schools. It is appropriate to also remind everyone that the lands we currently occupy and the resources herein are the result of the Treaty of the Dish with One Spoon Wampum. Our symbolic wampum is on display in our school office.

Take care of yourself, and take care of one another - and it will be a great day!
