

# Aujourd'hui vendredi, Octobre vingt-neuf, ~~2021~~ Jour 2

## MISSION

Balacava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

## VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

## MOTTO

When we look after ourselves and we look after one another, we all succeed.

Thank you to our Student Council for creating a number of fun activities for us today. Check out some of the art creations that were provided for our primary students – they look great!

Please remember that any celebrations we may be having in classrooms today should not mean extra work for our caretaking team. Make sure you are leaving time to clean up classrooms, removing any items from the tops of desks, and making sure the floor is cleared for sweeping/mopping.

Food banks all over are finding a much increased need these days. Our Student Council is inviting our community to help. Donations of non-perishable food items, and personal care items can be made until November 12th. At Balaclava, we aspire to make the world a better place through informed, responsible and compassionate action.

Our Gymnasium will be available for use by the end of 1st period today. Thank you everyone for your cooperation and patience.

Please be sure you are checking the ingredients of any treats that have been brought in for individual consumption today. Remember we do have life threatening allergies here at Balaclava. Let's make sure we are looking after ourselves and one another.
