

Today is Monday, October 18th, 2021 Day 3

MISSION

Balacava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

MOTTO

When we look after ourselves and we look after one another, we all succeed.

Land Acknowledgement

The Hamilton-Wentworth District School Board acknowledges our presence on ancestral Anishinaabe and Haudenosaunee Confederacy land as determined by the Dish with One Spoon treaty.

The Dish With One Spoon Wampum Belt represents the treaty relationship between the Haudenosaunee Confederacy and Anishinaabe with respect to sharing the land and resources thereon.

The intent of this agreement is for all nations sharing this territory to do so responsibly, respectfully and sustainably in perpetuity.

We respect the longstanding relationships with the local Indigenous communities, the Mississaugas of the Credit First Nation and the Six Nations of the Grand River.

Do you want to see positive change in our school, our community and our world? Do you get things done? Are you a student activist? Balaclava's Student Council is looking for people who want to make positive change, who care about more than themselves, and who can get things done. Teachers, applications have been sent directly to you. Please make them available for your interested students in Grades 5-8. Applications will be accepted until Friday October 22nd.

6,7,8 Cross Country

- The 6,7,8 Cross Country team travelled to Christie Lake Conservation Area on Friday to compete in the Division 4 city wide Cross Country meet. It was a little soggy, but 32 of our runners persevered and ran well. We had many top 10 place finishers in each race, too many to mention here. CONGRATULATIONS to all runners who came out and represented themselves and their school with integrity and great sportsmanship. Special thanks to Nathan for helping a fellow teammate that was experiencing some difficulty while on the course. Running keeps your body healthy, keep it up everyone. Go Bobcats.

Playground rotations – Remember good hand hygiene and bring the equipment from your classroom.
