

Today is Tuesday November 30, 2021 Day 3

---

## MISSION

Balacava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

## VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

## MOTTO

When we look after ourselves and we look after one another, we all succeed.

We are all responsible for how our school looks and feels. Please be sure you are taking time to put personal belongings away with care. Nothing should be left in middle of the hallways as they can easily become tripping hazards.

Thank you for also taking time to wipe your feet of snow and mud on the mats at entryways when coming indoors. This helps to keep our halls and classrooms a little drier.

Hanukkah, the festival of lights means "dedication" and is a celebration among the Jewish faith of the restoration of the menorah (or lamp) in the holy temple following a battle. The miracle was that though there was only enough oil to light the lamp for 1 day – it remained lit for 8 days. Hanukkah began at sundown on Sunday November 28th and ends December 6th.

Our Student Council will be meeting tomorrow at 1st NB. Please be prepared with your ideas for making a positive difference for others.
