

Today is Thursday January 20th , 2022 Day 5

MISSION

Balaclava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

MOTTO

When we look after ourselves and we look after one another, we all succeed.

Students will be given 2 Rapid Antigen Tests to take home today. There is an instruction sheet that explains how to perform and read the test accurately. This information will be sent out on School Messenger for families as there is a video that can also be accessed through a link.

Please be sure you are completing your screening each day and having it verified by a staff member. If you forget your calendar, we will need to contact your parents/caregivers. If you need a new calendar, please let your teacher know.

Due to the extreme cold we will be limiting our time outdoors today. Staff who may be taking classes outside for DPA are asked to please check the temperatures before heading out. -15 without windchill and -20 with windchill are our markers from Public Health for limiting time outdoors. When outside, please be sure you are dressed for the conditions. Hats, mitts, boots, coats and snow pants will help to make your time outside more enjoyable.
