

Today is Tuesday January 25th 2022 Day 3

## MISSION

Balacava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

## VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

## MOTTO

When we look after ourselves and we look after one another, we all succeed.

Each year we are required practice Secure Schools Drills, as well as Fire Drills. Tomorrow we will do a Shelter in Place Response. This would be our response to an environmental hazard in the area. It does not disrupt any normal operations. We would be required to close windows and everyone would be asked to remain indoors.

Tonight there is an information session for families of Grade 7 & 8 students hosted by WDHS. The session begins at 6 p.m. on MS Teams. You can find the link on the poster located on our webpage.

Students who borrowed a device for the Remote Learning Period that have returned to in person school are reminded to return these borrowed devices as soon as possible. Thank you to the many students who have returned them last week.

Our gym space remains quite cold and so will not be for use for classes today. The Learning Commons will be following 1st NB.
