MISSION

VISION

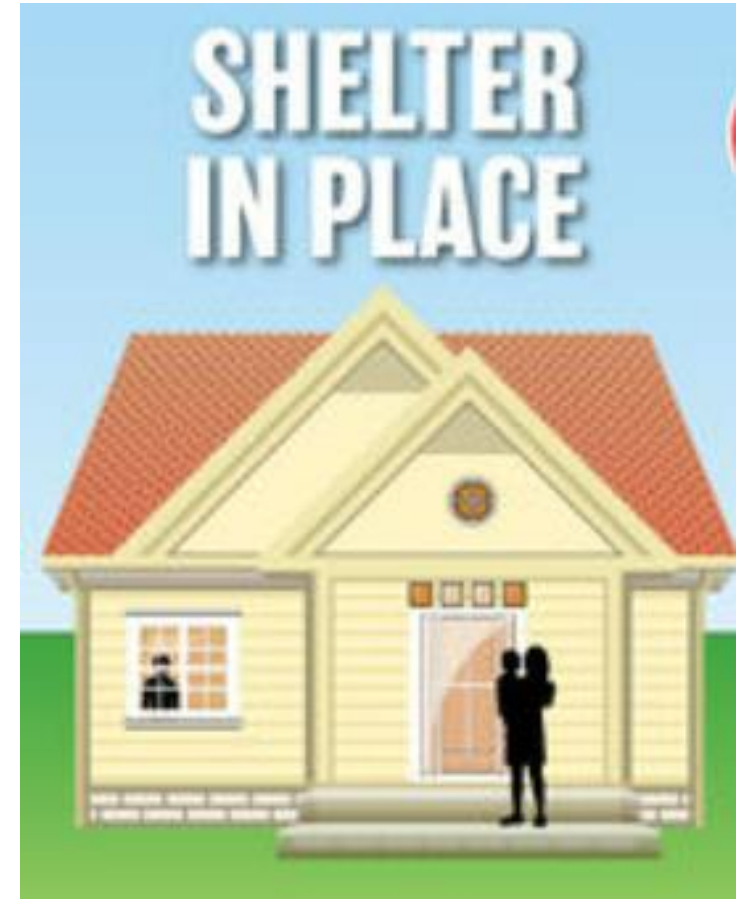

We aspire to make the world a better place through informed, responsible, and compassionate action.

MOTTO

When we look after ourselves and we look after one another, we all succeed.

Coming up this Friday we have a Professional Development Day designated for evaluation and reporting. Educators will be working on Report Card preparations and students will not attend school on Friday January 28th.

Today we will practice a Shelter in Place Response. A reminder that there is no change in normal operations for students/staff, other than, we are required to remain indoors and windows are closed. Please listen for the announcements to signal the start and end of this drill. Thank you.

Today is Bell Let's Talk Day.

Good mental health is something we all deserve and need to protect.

If you or someone you care about is struggling with mental health, there are supports available. Kids Help Line for example can be reached online <https://kidshelpphone.ca/> by text or telephone at 1-800-668-6868.
