

Today is Tuesday February 15th 2022 Day 2

MISSION

Balaclava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

MOTTO

When we look after ourselves and we look after one another, we all succeed.

Today is the Lantern Festival!
The music we played this
morning is the Lantern Greeting.
We hope everyone found some
red to wear today, symbolizing
luck, joy and happiness. Thank
you to our Student Council for
helping us to celebrate with
lantern decorations too.

Stewardship is caring for the natural environment through conservation and sustainable practices. The Bruce Trail Conservancy endeavors to protect the land along the Niagara escarpment from Tobermory to Niagara Falls so that these areas can be explored and enjoyed on foot. In what ways can we also be stewards for the natural environment?

Given the thawing and refreezing of our grounds, things are icy in patches. Please stay off these icy areas and walk with caution when moving about on the grounds.

*note we have adjusted playground rotations today to address the areas with the greatest ice.

Report Cards go home on Friday this week. Please be sure you know what strategies can be tried to support any areas where you are not fully successful.
