Walkways have been salted however, until the temperature warms up a bit today there will likely be slippery areas on our grounds. Please walk with caution to prevent falls.

Yesterday we sent home information about an upcoming Vaccination clinic to be held here at Balaclava. For any of our families who would like to access this service, please be sure you return the paperwork by Thursday February 10th.

Thank you to Mrs. Keyte for sharing the Black Canadian Periodic Table with us all. Today's notable person is Sylvia Hamilton. She is a writer and film maker and through her art has contributed to a **greater understanding of African Nova Scotia heritage**. She was born in Beechville, Halifax County, and has brought the life experiences of African Nova Scotians, particularly women, to the mainstream of Canadian Arts. Check out the periodic table for other notable Black Canadians!
