

Today is Thursday March 10th, 2022 Day 2

MISSION

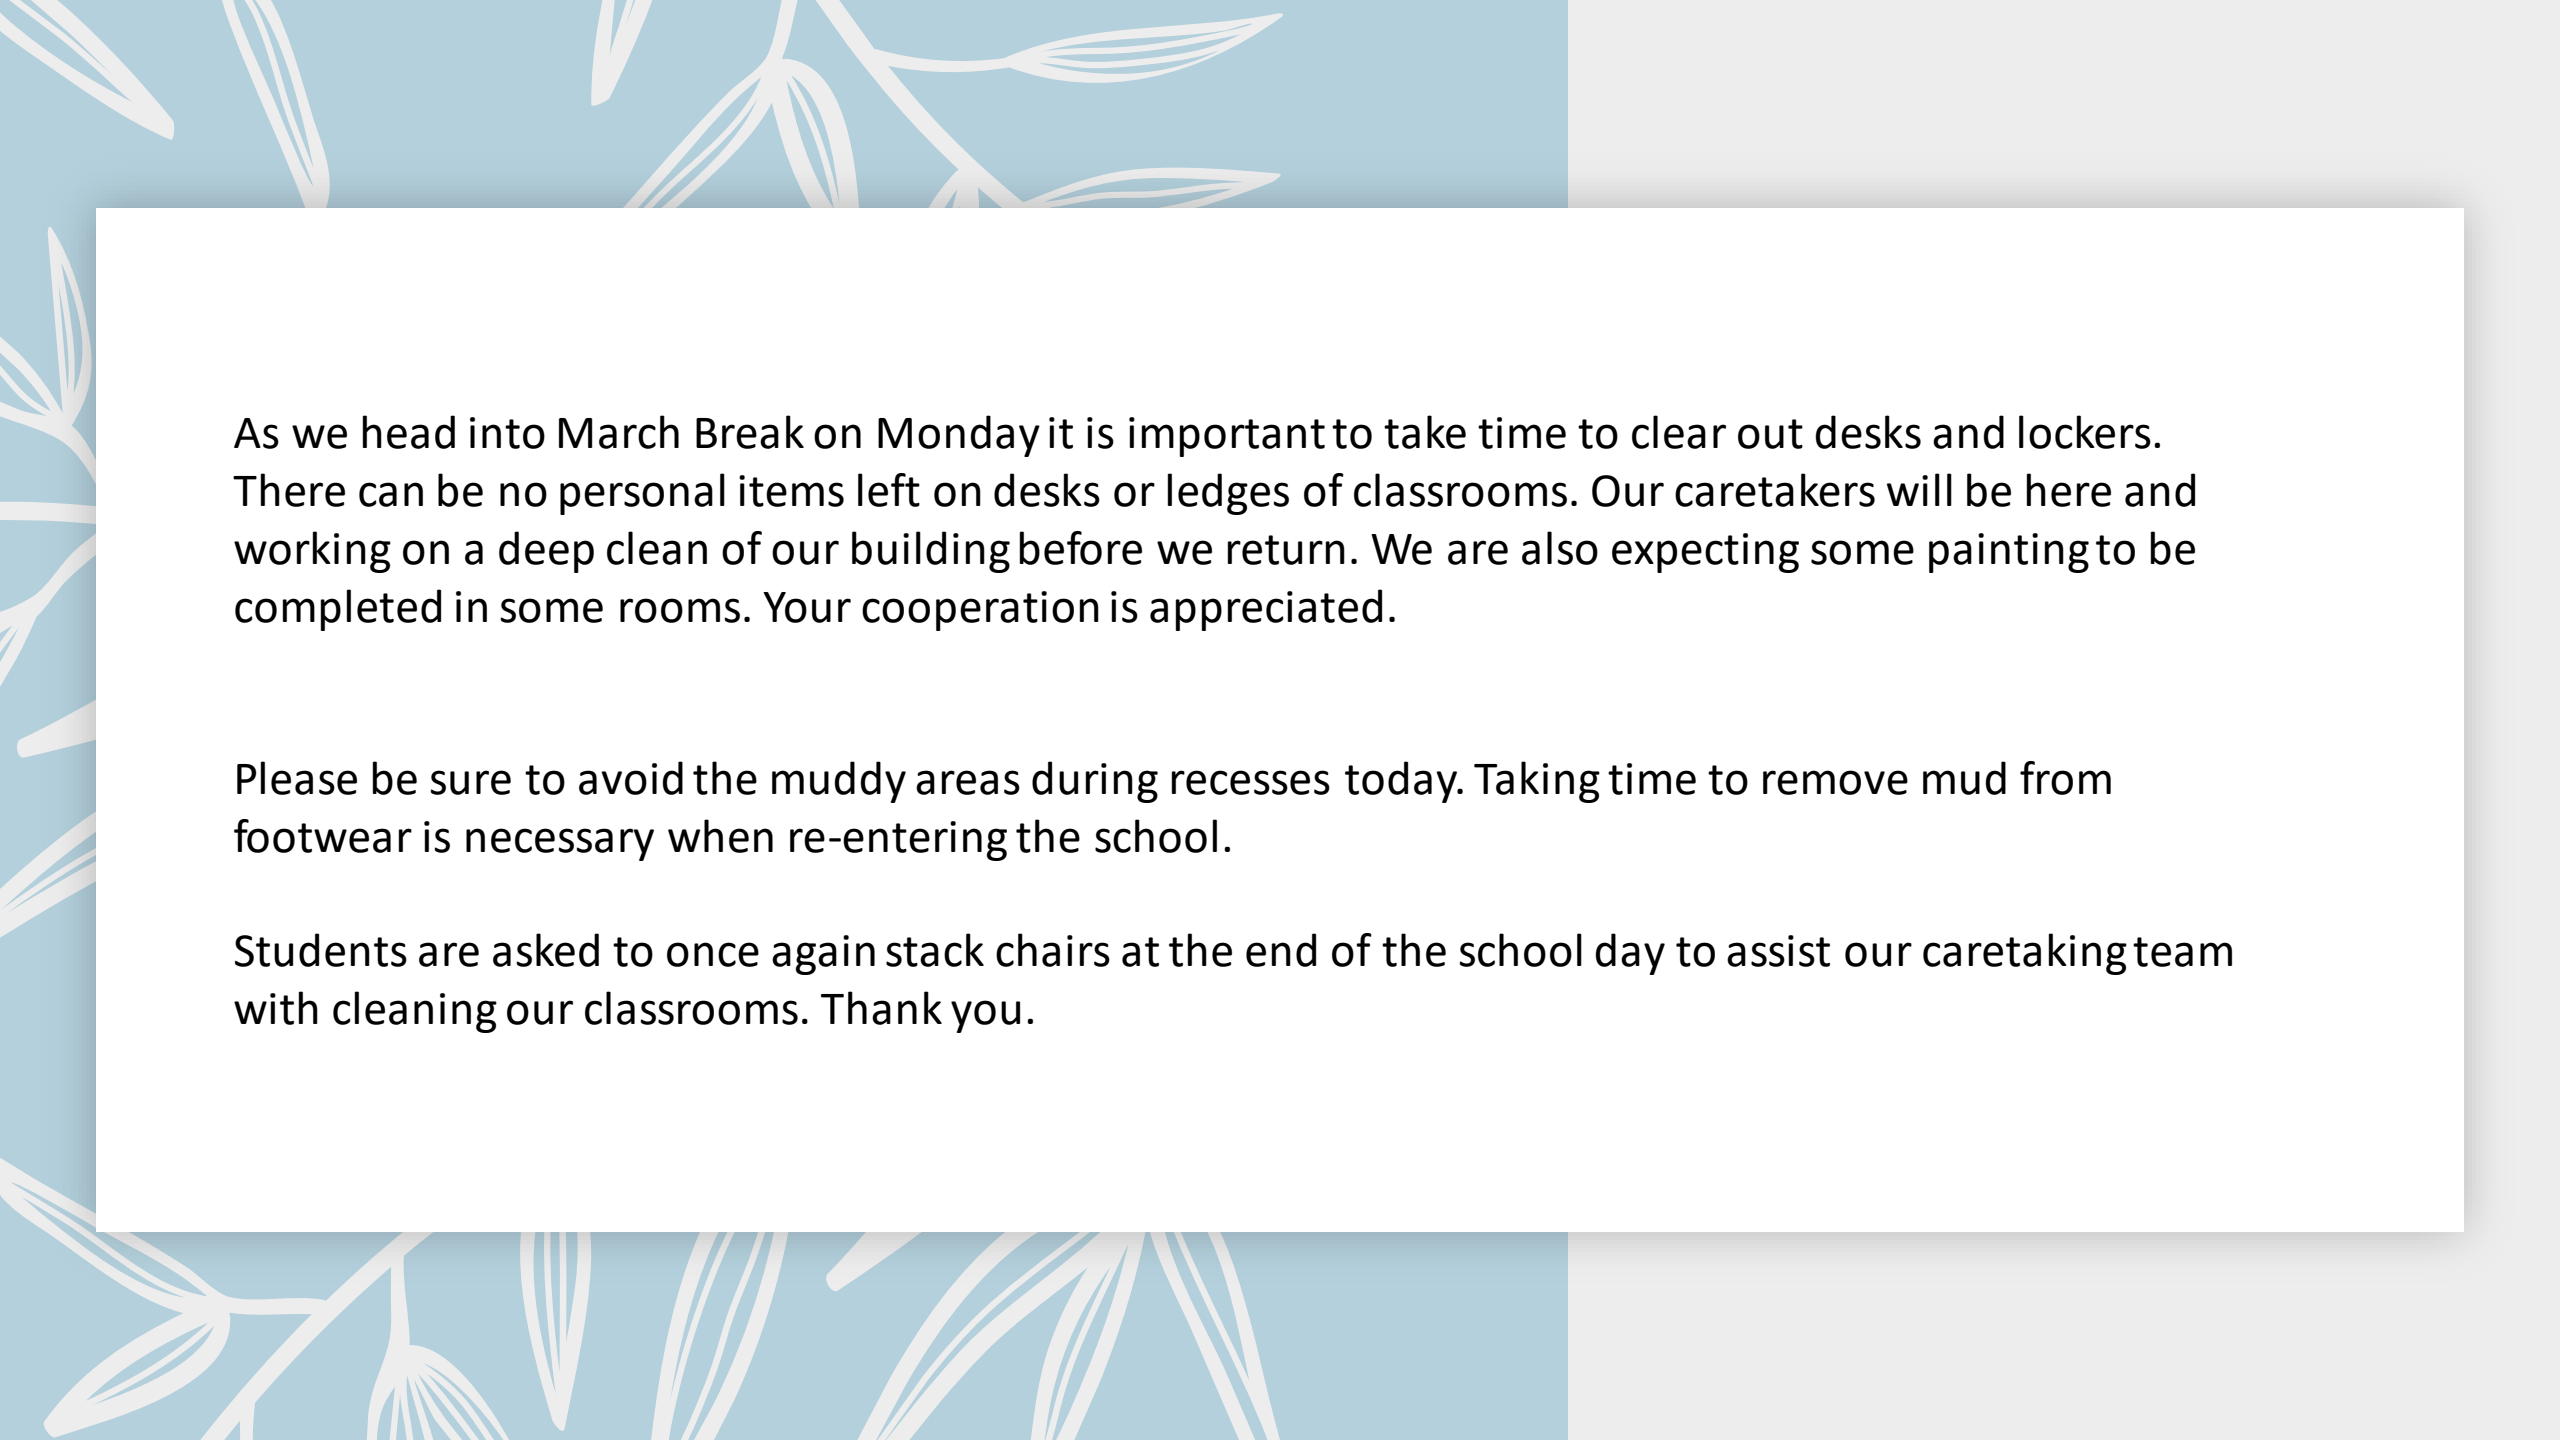

Balaclava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

MOTTO

When we look after ourselves and we look after one another, we all succeed.

As we head into March Break on Monday it is important to take time to clear out desks and lockers. There can be no personal items left on desks or ledges of classrooms. Our caretakers will be here and working on a deep clean of our building before we return. We are also expecting some painting to be completed in some rooms. Your cooperation is appreciated.

Please be sure to avoid the muddy areas during recesses today. Taking time to remove mud from footwear is necessary when re-entering the school.

Students are asked to once again stack chairs at the end of the school day to assist our caretaking team with cleaning our classrooms. Thank you.

Friday St. "Patricks" Spi rit Day!

Wear Green and Gold on
Friday to show your St.
Patrick's Day spirit.

Can you imagine a world without clean drinking water? There are parts of our own country that do not have access to clean drinking water. Can you imagine a world without marine life in our lakes and oceans? There are areas of the underwater world that are dying from a process known as bleaching, plastics floating as a mass the size of Texas, and sea life populations that are being devastated by over fishing. We don't have a world without water. Be informed and take action. World Water Day is March 22nd.
