

Today is Thursday March 24th, 2022 Day 2

MISSION

Balacava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

MOTTO

When we look after ourselves and we look after one another, we all succeed.

Congratulations to our Girls' Basketball team who won their game last night against Allan A. Greenleaf School.

We are all responsible for how our school looks and feels. We have seen some vandalism in our Boys' washroom in the Intermediate hall again this week. Please remember that if we are having to spend funds on repairs there is less money to spend on things like iPads and Robotics and other fun materials. If you see something, say something. It is not ok for anyone to damage school property.

At Balaclava School we aspire to make the world a better place through informed, responsible and compassionate action. Ramadan begins next week, and part of Ramadan is performing acts of charity or kindness. Let's all think about ways we can make the world a better place in these ways for the coming weeks of Ramadan.

We will be doing recycling again today. Please have your recycling outside your door for pickup after announcements.

A non-governmental organization, 'GivePower' has built a solar water plant in a small community in Kenya. Please click on the link below to listen to Andrew in Grade 1 describe how this can assist with the global need for clean and sustainable drinking water.
