

Today is Thursday April 21, 2022 Day 5

MISSION

Balacava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

MOTTO

When we look after ourselves and we look after one another, we all succeed.

At Balaclava we aspire to make the world a better place through informed, responsible and compassionate action. We will be doing a school grounds clean up Friday to help celebrate Earth day! See the sign-up sheet beside the water hydration station in the primary hall to sign up for a job. There will be gloves and bags available in the front foyer Friday. If your class is collecting garbage gloves and bags will be delivered to your classroom. Return the gloves to the box in the foyer and leave the bags of garbage outside the front doors. Teachers can participate throughout the day whenever it is suitable for your class!

Tomorrow is pasta day. For those kids who ordered pasta, please bring a fork in your lunch bag. We need to do our part for the Earth.

Thank you to all our families for continuing to monitor for Covid symptoms and following the screener in determining whether a child may attend school or not. While masks are not required they are one measure to help reduce the transmission of Covid and are recommended while indoors, along with following proper respiratory etiquette and practising good hand hygiene. Masks are available for anyone who wishes to use one.
