

Today is Tuesday May 17th 2022 Day 3

## MISSION

Balaclava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

---

## VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

## MOTTO

When we look after ourselves and we look after one another, we all succeed.

Today is international day against transphobia, homophobia and biphobia. Far too often members of these communities are the victims of bias and hate. At Balaclava all identities are welcome. We are all responsible for how our community looks and feels. Let's make sure all members of our community feel safe.
