

Today is Tuesday June 14th 2022 Day 1

## MISSION

Balaclava is an inclusive and engaging community where creativity and commitment to equity are utilized to optimize learning for all.

---

## VISION

We aspire to make the world a better place through informed, responsible, and compassionate action.

## MOTTO

When we look after ourselves and we look after one another, we all succeed.

Leonard Marchand was the first status Indian to be elected to Canadian Parliament. He served 11 years as a Member of Parliament. Among his accomplishments as a senator, he advocated for the rights of Aboriginal Veterans and helped to establish a National Aboriginal Veterans Scholarship Trust.

Seeing something that can be improved upon does little good, if we fail to take action. At Balaclava, we aspire to make the world a better place through informed, responsive and compassionate action. What will you do to make that vision reality?
