

A warm welcome to new and returning families! Even though the last couple of school years have looked very different than we are traditionally used to, we are hoping that this new year starts to feel a bit normal again, and we trust you had a great summer and look forward to another great year at Balaclava.

The goal of the Home & School association is to support the school and its programs with volunteers, financial support and advocacy. The Balaclava Home & School Association is a group of parents and guardians within our school community, who are interested in supporting the goals of the association. We are very excited to be back in the school with volunteer opportunities, bring back the school lunch program (more info to come soon) and are planning to continue our efforts in ensuring families are informed of what is going on at the school, during holidays, areas of awareness and planning of fun activities for both in school and outside of school.

Due to the great support of the Balaclava community, past initiatives have provided our school with resources and experiences it could not otherwise afford. This includes subsidies for supplies, field trips and performers as well as guest speakers, the purchase of technology, fitness equipment, musical instruments, spirit days and so much more!!

There is no better advocate for your child than you! For that reason you are already perfect to join our team of amazing volunteers! We are always happy to have new members to help us meet our objectives. It is never too early or too late to join! Even if you have been at Balaclava for years or just beginning your school journey we encourage you to get involved & we look forward to fresh ideas and energy from the new faces who join our team!

We invite all parents/guardians to join us for our first H&S meeting to learn more about planned expenditures for the coming year or to bring forth an initiative that could be considered for the benefit of all students. We do have a couple of Executive positions still open that need to be filled for this upcoming year.

THE FIRST HOME & SCHOOL meeting of the year will be held towards the end of Sept. Please keep your eyes posted on the Facebook page or email for updates.

WHAT DOES BEING A HOME & SCHOOL MEMBER LOOK LIKE FOR THIS YEAR?

Home & School is planning on continuing our involvement in organized events, activities for the children to participate in and continuing our fundraising efforts in the new future. We still have very big fundraising goals to work towards in order to be able to implement the new playground equipment campaign we had started planning for the last two years. As soon as we get the green light, we will begin that campaign again. We also want to provide activities for the school to encourage, empower and put a smiles on the kids faces.

HOW CAN YOU BECOME INVOLVED:

We realize that we still might not be able to accommodate everyone's schedules; however you can still have a voice in the Home and School initiatives and determine the best use for our fundraising dollars. For example, our voting system is done online, so that all members can have a chance to vote on our initiatives, whether they can attend a meeting or not.

While all parents and/or guardians are welcome to offer suggestions or comment on on-going issues or requests for funding, only those who have paid the Membership fee (\$20.00) will be able to vote.

- 1) Lend your time: When it comes to school activities, we would love to have you as volunteers! We are currently looking for some executive members, some team leads and some food day co-ordinators!
- 2) Lend your Voice: Join us for our monthly meetings.

WHAT IS THE COST FOR MEMBERSHIP?

- For just \$20 – up to 2 adults per household can become members.
- This fee goes to the Federation (OFHSA) account, not the Balaclava Home & School.

WHAT IS INCLUDED IN A MEMBERSHIP?

Your membership provides you with:

- Voting privileges at the Balaclava H&S meetings. This gives YOU a voice as to how H&S spends the money raised each year.
- 5 million liability insurance for members while they are performing activities sponsored by the Home & School. This is required for any individual who would like to volunteer with H&S activities throughout the year.

Below you will find a separate form to complete and return to balaclavahands@gmail.com in order to register your membership.

AREAS WE PROUDLY SUPPORT:
