Join Home & School – Have Your Voice Heard

We invite all families to become members of Home & School. Membership provides the right to vote on how funds are allocated and helps shape the future of our programs.

- Annual membership fee: \$25
 - Covers two adults (18+) in the same household, and both adults have full voting rights.
 - Includes insurance coverage should you ever choose to volunteer at Home & School events.
 - Volunteering is not required to become a member.
 - Monthly meetings are not mandatory, and meeting minutes and budget updates are distributed after each meeting, keeping you informed even if you cannot attend.
-

Funfair Committee – Volunteers Needed

The Funfair is one of our most anticipated community events each year. We are seeking a chairperson—or co-chairs—to lead the Funfair Committee.

- This role may be shared by two people.
- Without leadership, the event may need to be cancelled.

If you are interested or would like additional information, please contact the Home & School team.

Thank you for your continued support!
