It is with mixed emotions that I inform our community that I will be retiring at the end of the school year. After 33 years in education and the past 22 years as a principal and vice-principal it time to call it a career. I have enjoyed working with parents, students and staff here at Bellmoore for the past 3 years and I have many fond memories. I look forward to my new stage in life. The school and I welcome Mrs. Mochrie as principal of Bellmoore for September 2019.

Douglas Pagels says

*Remember: A life well lived is simply a compilation of
Days well spent: So treasure the tremendous value of the
Moments right before your eyes. Reach out for the prizes
You seek, and get a little closer to them with the setting of every sun.*

*Make this one day a journey of love, and achievement,
Gently powered by all the benefits of understanding,
Commitment and hope. Be healthy, happy and continually
Rewarded for doing things that you know in your heart...are right.*

*May you discover every joy that wants to come true for you...
on your precious journey through life.*

Thank you so much for the opportunity and I wish you all the best in the future.

Mr. K. Heer Principal
