Mrs. Brooks & Ms. Deane's kindergarten feeding our spooky ghost to scare hunger away.

A message from our Kinder Team!

Kindergarten Halloween Festivities

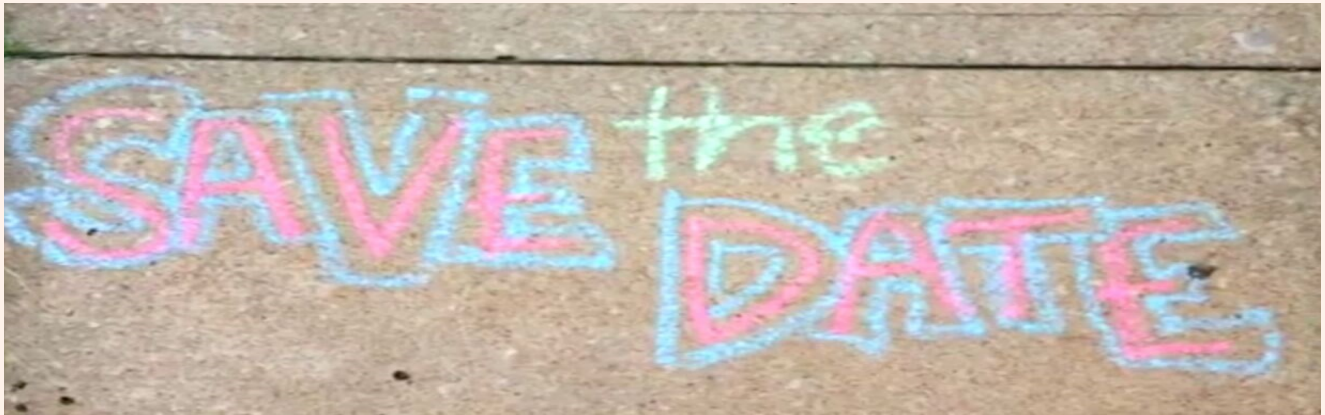

With Halloween quickly approaching, the Kindergarten Team is excited to share some information about our Halloween festivities

- This year, we will have a Halloween Video Dance Party in the gym for our Kindergarten students
- We will not be having an outdoor costume parade, however, we will showcase our costumes and highlights from the day on our classroom social media accounts
- Students are welcome to dress up on Thursday, October 31st, but for those who are Halloween-hesitant, black and orange is a great alternative
- Children should arrive to school in their costume and bring a bag to be able to take the costume home. We will be wearing our costumes to the morning dance party and taking them off part way through the day.
- Please do NOT send make-up for students to apply. Students may come with make-up on in the morning, if it is an integral part of the costume.
- NO masks please, due to visibility concerns.
- NO toy weapons of any kind are to be sent to school (knives, guns, lightsabers, etc.). Small accessories also tend to get lost in our busy classroom
- We encourage students to dress in 'child friendly' costumes-- the point of the day is to have fun and not to scare others
- Halloween is one of our special treat days. Our Halloween Snack Club members will provide NUT and SESAME FREE snacks for our students to enjoy ☺

Thank you!!

The Kindergarten Team

Oct 28

Junior boys volleyball @ Huntington Park 3:45 p.m.

• **Oct 29**

Progress Reports sent home

SNAC Program begins

Lunch Lady
