Bellmoore Parents/Guardians have until **May 20th at 4:00 pm**, to provide an email to [bellmoore@hwdsb.on.ca](mailto:bellmoore@hwdsb.on.ca), if they would like to advocate for their child's September 2022 placement. Keep in mind that these emails do not guarantee a child's placement in September, but will be considered in the Class Building Process. The Process for Class Building is complicated and one that involves all Educators. Many meetings and conversations happen in May and June to set students up for success. The following is a list of considerations:

- Physical and emotional maturity
- Academic needs and progress
- Class size
- Special needs class composition
- Special factors or extenuating circumstances
- Grade level balance in combined classes
- Personalities
- Each child's need for attention in social, emotional and behavioral areas
- Effort, achievement, independence and leadership
- Logistical requirements concerning the child's access to the support of an education assistant whose service is provided in more than one classroom
- Cultural diversity
- Groupings appropriate for the best learning environment for all
- Social needs / friendships

Once again, thank you for partnering with us in education.
