

INTERNAL MEMO

DATE: **October 25th, 2022**

TO: Elementary Principals and Vice Principals **with GRADE 7 and 8 STUDENTS**

FROM: Laura Romano, SOSA

SUBJECT: PH- Vaccine Clinics

Public Health is now refocusing their work in catching up students for routine grade 7 vaccinations. Public Health will offer all students in grades 7 and 8 access to the grade 7 routine vaccines throughout the Fall. **The grade 7 routine vaccines continue to be Hepatitis B, HPV and Meningitis.**

Please review the **updated list of clinic dates that include the second clinic** for all schools. If you have a conflict with your school clinic date, **please contact your SOSA.**

- As a reminder there will be school clinic requirements in terms of space and furniture, that will be reviewed with you by a Public Health Nurse.
- Teachers play a huge role in assisting us with these clinics. We do need their help to distribute and collect the consent forms, and to help us get the students vaccinated on the clinic day.

School	Date of First Visit	Date of Second Visit
Adelaide Hoodless	8-Nov-22	10-May-23
Allan A Greenleaf	21-Nov-22	25-May-23
