January 2025 Updates

Parking lot – Arrival/Dismissal

Please help us keep staff and students **safe** in our parking lot. The parking lot is **closed** for drop off/pick of students. Disability pass holders, and special circumstance passholders are permitted only.

Thinking of Moving?

To determine if your child(ren) will be able to stay at Bellmoore, please check if the property is within the correct catchment. Please enter the address of the property that you are considering into the Find a school link here: [How to Register | Hamilton-Wentworth District School Board](#)

We are closed to out of catchment, and no exceptions are made if you move out of the catchment. Families who move out of the catchment will register at the correct school.

Family Literacy

Many classes joined a virtual read aloud with Mrs. Milinovich on Family Literacy Day while wearing their pyjamas! There were many special literacy activities planned where students shared the joy of reading! We encourage all families to find time to read together, at every age.

Positive School Culture Mission

In December, our school gathered for our Compassion PSC assembly to share the learning that has been happening around HWDSB's guiding value of compassion. We used our Mission Statement to provide a framework for taking action to share our learning on empathy, kindness and compassion. Many students receive compassion certificates of recognition for demonstrating their learning in actionable ways! Our next focus for February will be on the guiding value of Dignity. We will continue making connections to Human Rights Education and how it connects to the guiding value.

THINK creatively and collaboratively

ACT with kindness and empathy

LEAD with humility

Math at Bellmoore

A strong focus of our School Improvement Plan is to support student achievement in Mathematics. Please stay connected to your child's program to support their learning from home. Our school will be hosting a Family Math Night in partnership with School Council. Please save the date of **March 6th** to attend a fun night with your child(ren)!

****Stay tuned...**
Special Podmoore Episodes coming soon! Topics include math from multiple perspectives!

Until our next newsletter you can find more updates here:
